## **Wheaton celebrates 45 years as a Good Housekeeping Seal holder**

INDIANAPOLIS — Since 1964, Wheaton World Wide Moving has earned the Good Housekeeping Seal of Approval for interstate moving. The Seal has been reassuring consumers about their purchase decisions for more than 100 years and is one of the most recognized consumer emblems in the market today. Wheaton is the only household goods transportation company to earn the Seal and has done so for the past 45 years.

Wheaton, and its agents, has come along way since first being named a Seal holder. Others in the moving industry and beyond recognize Wheaton for consistently exceeding the service levels expected as a Seal holder. Steinway & Sons has trusted Wheaton to be its official mover and transport its pianos on tours throughout the U.S. and Canada since 1990.

Cartus, a provider of global employee relocation and workforce development solutions serving the corporate, government and affinity markets, recently awarded Wheaton the Global Network Silver Supplier Quality Innovation Award. This award is presented to a supplier that has submitted a winning application demonstrating either significant cost savings and/or increases in service results to Cartus clients and customers.
